

Index Fungorum no. 558

Effectively published 19/10/2023 10:50:00 (ISSN 2049-2375)

Nomenclatural novelties : Boris Assyov, Hatira Taşkın & Fuat Bozok

*Cryptomarasmius celtibericus* (G. Moreno & Raitv.) Assyov, Taşkın & Bozok, comb. nov.

IF 901213

Basionym: *Marasmius celtibericus* G. Moreno & Raitv., *Persoonia* 16(4): 541 (1998).

Note: The transfer of *M. celtibericus* to the genus *Cryptomarasmius* T.S. Jenkinson & Desjardin 2014 is prompted by an assessment of an ITS sequence (OR677893) from a Bulgarian collection on dead branches of *Jasminum fruticans*, which is morphologically consistent with the description in the protologue of *M. celtibericus* (Moreno & Raitviir, *Persoonia* 16: 541–544. 1998).
